Thank you retail partners!

We want to THANK YOU all for the incredible SUPPORT and PARTNERSHIP that you have shown us at Candym/Canfloyd over the past 18 months! All our retail partners have been an INSPIRATION as we have watched you adapt, pivot and run your businesses in a way that supports your LOCAL communities. We are proud to be part of an industry that has shown incredible resilience, shifting to virtual meetings, buying, on line shopping and curb side pick-up in an effort to keep our Canadian consumers HAPPY. We continue to improve efficiencies so that we may offer as many new products as we can at reasonable prices and on time deliveries.

Our showroom has been a great platform for buyers to come "touch and feel" products. With 13,000 square feet, and covid protocols carefully adhered to, it has become a place for retailers and reps to connect and buy for upcoming selling seasons. The showroom can be accessed by appointment as we aim to keep staff and customers safe. Our INCREDIBLE sales reps will continue to be available to you on zoom, over the phone, in store and in the showroom to ensure that we keep goods flowing for the months ahead.

Most of our retailers have become comfortable browsing products from home! All of our brands can be purchased through shopzio. If you have not signed up yet, you can register at your earliest convenience. While you wait for your access, you may log into shopzio through our websites as a guest.
